

Dear Friend of Classical Lutheran Education,

Founded in 2012, Wittenberg Academy serves more than 200 scholars located around the world. Scholars study the classical liberal arts and catechesis in order to prepare them for life in this world and the next.

Wittenberg Academy is a fully accredited institution that offers virtual courses for sixth through twelfth grade and grammar school curriculum for kindergarten through fifth grade. Class sizes are small and students interact directly with their teachers and classmates.

Wittenberg Academy is holding its first-ever online auction to help it continue in its vital mission, with bidding being open at the start of National Lutheran Schools Week, Jan. 25, and it close on Quinquagesima Sunday, Feb. 15, at 7 p.m. central. Wittenberg Academy will hold a livestreamed auction show to reach new supporters and build community among families on Friday, Feb. 13, 7 – 8 p.m. central.

Support is being raised for the “**Teaching for Eternity Fund**,” which will provide access to digital research library resources, a better technological experience for scholars, and aid general operations.

You’re invited to learn about Wittenberg Academy and prayerfully consider taking part in the auction or making a donation directly to the Teaching for Eternity Fund. Our auction catalog has a wide range of items, including autographed books by Lutheran authors, virtual music lessons, artwork by Lutheran creators and much more. Thank you in advance for your time, consideration and possible support of Wittenberg Academy and its scholars.

With sincere gratitude,
